Dear Mr. West:

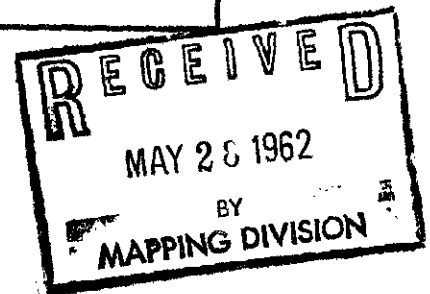

PROPOSED "LARCH ANNEXATION"  
TO THE CITY OF HAWTHORNE

At the meeting held on May 23, 1962, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of May 4, 1962, of the proposed annexation of territory to the City of Hawthorne.

The boundaries submitted do not create corridors of unincorporated territory and conform with record lines and lines of ownership. This proposed annexation consists of a portion of an existing island of unincorporated territory.

Unless proposed "Record Annexation" to the City of Hawthorne, as filed with the Commission on May 7, 1962, is completed first, a portion of this proposed annexation will be dependant for contiguity on a strip of land over 300 feet long and less than 200 feet wide, a probable violation of the contiguity provisions of Section 35002.5 of the Government Code.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

Mr. Joy M. West

With these revisions, the Boundary Commission approved the boundaries of this proposed annexation. A copy of the approved revised description and a list of special districts involved are enclosed for your use.

Dear Sir:

**CITY OF HAWTHORNE  
"LARCH ANNEXATION"**

In compliance with your request of May 7, we have reviewed the submitted legal description of the boundaries of this proposed annexation and report as follows:

1. The boundaries conform with record lines and lines of ownership.
2. This proposed annexation consists of a portion of an existing island of unincorporated territory.
3. No corridor of unincorporated territory is created by the boundaries.
4. Unless proposed "Record Annexation" to the City of Hawthorne, as filed with the Commission on May 7, 1962, is completed first, a portion of this proposed annexation will be dependent for contiguity on a strip of land over 300 feet long and less than 200 feet wide, a probable violation of the contiguity provisions of Section 35002.5 of the Government Code.
5. Other boundaries are shown in relation to the boundaries of this proposed annexation on the enclosed map.
6. The legal description as submitted requires revision to provide definiteness and certainty in accordance with Section 35002 of the Government Code.
